PARTICIPANT NAME: Loriccia Yap Yu Xin

TITLE OF SUBMISSION: Swimming with a Merlion

SUMMARY: One of my most favourite things about Singapore is its official mascot, the Merlion. I feel connected to this mythical creature and I think it's very unique and a distinctive icon of Singapore. I tried to capture the light-hearted and whimsical feeling of four curious children playing with a huge and fantastical being. The cool blues of the Merlion and the ocean contrasts the red of the children's' Singapore shirt well. This art piece with no deep hidden meaning buried in it may not be everybody's taste, but I enjoy the carefree nature of National Day.
