TITLE OF SUBMISSION: Garden Salad City

SUMMARY: A flavourful rojak of varied spices and plentiful ingredients like a tossed salad; a colourful garden blooming with vibrancy; a multiracial, multicultural society of diverse faces, living in harmony — this piece hopes to encapsulate all that is Singapore and her people. Whether it be helping our neighbours run errands, giving up a seat on the MRT for someone in need, assisting the handicapped, or celebrating our national pride at the Padang — at the end of the day, regardless of race, language, or religion, we're one people, united as one Singapore.
