

STATIC 2 INDIVIDUAL – OPEN

THIRD PLACE

PARTICIPANT NAME: Goh Min Xuan

TITLE OF SUBMISSION: Set Sail Into The Future!

SUMMARY: As Singapore progresses as a country, I hope that we will continue to preserve our harmonious spirit, remember our roots and celebrate our traditions. As the saying goes, “a smooth sea never made a skilled sailor”. If we stay united and resilient through rough times, looking positively towards the future, I believe that it will be a bright and vibrant one.
