THIRD PLACE

PARTICIPANT NAME: Sheker Gowri

TITLE OF SUBMISSION: Singapore: A Journey into the Future

SUMMARY: This artwork vividly captures the spirit of Singapore as it sails into the future, celebrating 75 years of progress and unity. At the heart of the composition, iconic landmarks like Marina Bay Sands, the Merlion, and the Singapore Flyer stand tall, symbolizing the nation's architectural prowess and innovative spirit. The dynamic wave represents the unstoppable momentum of Singapore's growth, while the intertwined red and white ribbons embody the nation's unity and resilience. The figures in the foreground, representing diverse professions, illustrate the collaborative effort driving Singapore's advancements. The backdrop, with futuristic elements and the Singapore flag proudly flying, highlights the nation's vision of a harmonious, progressive, and forward-looking society. This piece is a tribute to Singapore's rich history, dynamic present, and promising future.
