STATIC 2 INDIVIDUAL – PRIMARY

FIRST PLACE

PARTICIPANT NAME: Lin Xinyu

TITLE OF SUBMISSION: Waves of Today, Dreams of Tomorrow

SUMMARY: A girl reaches out towards a robotic arm, symbolizing the connection between humanity and technology. Around her, overlapping bubbles depict Singapore's future: a world-leading garden city with zero carbon emissions, tech-equipped classrooms, healthcare breakthroughs with advanced medical technology, autonomous vehicles, drones in the city skyline, sustainable urban farming, and the development of green energy solutions. In the background, a blue sea with waves highlights the dynamic journey toward this future. Together, as one Singapore, we will achieve these milestones and continue to prosper.
